DOWNTOWN TORRANCE

**MEMORIAL FONT . . .** Dedication of the recently completed baptismal font at the Wayfarers' Chapel were conducted by the Rev. Robert Loring Young Sunday at the 11 a.m. service. The font, a memorial to Paul Lynn, was designed by Lloyd Wright to simulate a cascading mountain spring.

## Fleming Students Will Get Trophy Honoring Classmate

Students at Alexander Fleming Junior High School get a bright, shiny new trophy to remember one of their former classmates by this week.

Warren L. Juhnke, principal of the school, will present the trophy to the student body tomorrow at an awards assembly. The trophy honors Karlin Wong, now a student at Narbonne High School.

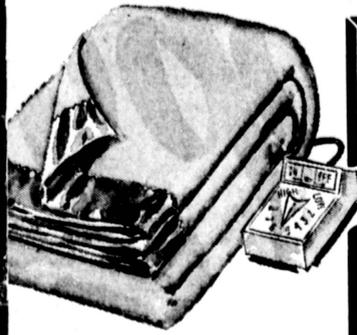

Young Wong, who lives at 1647 W. 228th St., won the trophy for his performance in the 1964 Fisher Body Craftsman's Guild model car competition.

He won the junior division first place award for California — a prize that also included \$150. Wong also won top regional honors and received an expense free trip to Detroit for the four-day Craftsman's Guild convention.

The annual competition is designed to interest boys in creative designing and craftsmanship and to offer them opportunities for their practice. Cash awards and university scholarships are given winners each year.

Enrollments are now being received for the 1965 competition. Sons of General Motors employees are eligible to enter the contest, and should the son of a GM employ win, duplicate awards are presented.

More than \$117,000 in prizes will be awarded winners in the junior and senior divisions. The 1964-65 competition will end June 4, 1965.
